

Viva Learning

Accelerate skilling and growth

Make learning part of each day, close skill gaps, and give employees the tools they need to learn and grow.

Microsoft Viva Learning empowers employees to make learning a natural part of their day by providing a center where they can discover, share, and track learning content within the platforms they're already using.

Empower teams and individuals

94% Of employees say they **would stay at a company longer** if it invested in their learning and development (LinkedIn).¹

9.9x Learning as a continuous activity embedded in workflow correlated with a **9.9x multiplier impact on achieving talent and business outcomes**.²

79% Of CEOs say **talent and skills** of their workforce is their number one issue.³

Learn in the flow of work 

Incorporate learning into the tools and platforms that are already used everyday with Microsoft Teams and Microsoft 365

Simplified learning 

Bring together a diverse portfolio of learning content and tools, from different sources, into one central hub

Personalized and relevant 

Find the right content and discover new skills with personalized recommendations and search

Access all your learning content from Microsoft and partner solutions

Learn in the flow of work

Social learning

Core Teams capabilities like chat and channel tabs enable learning

- Send learning content in a Teams message or meeting chat
- Add a learning tab to Teams and curate team training sets
- Enable group coaching

Recommend and track

Monitor learning progress and share relevant courses with your teammates

- Recommend content to colleagues within workgroups
- Track completion progress and activity through Teams

Simplified learning

Bring together content from Microsoft, 3rd party providers, and your own organization

Access all learning content in one place

- Consume Microsoft and LinkedIn Learning content
- Connect other learning providers to access and share libraries
- View organization-generated resources as learning content
- Sync content and assignments from the learning management systems your organization uses

Viva Learning

Your Microsoft 365 learning center

Personalized and relevant

Easily find and discover content

Personalized search and recommendations

- Search for keywords to get relevant content across all connected learning sources
- Personalized recommendations based on your interests

Stay organized in your learning journey

Keep track of learning and tasks.

- Quickly access bookmarked, recently viewed, and completed courses
- Teams notifications prompt assignments and deadlines
- Fully featured mobile app for learning on the go
